

# SwemaFlow 236 Foldable Hood Manual

Hood 330 × 330, Part No. 459096, and Hood 300 × 300, Part No. 762330 SLT20260313

1. Unfold the cardboard hood and place it on a clean surface
2. Place the string around the opening of the foldable hood and then mount the SwemaFlow 236.
3. Place the string around the edge of the SwemaFlow 236, underneath the metal hook on the foldable hood.
4. Fasten the buckle so that the hood is securely attached.

If the hood is not tightly fitted, disassemble it and adjust the tension of the string by turning the metal pin in the buckle. Then repeat the assembly from the beginning until the hood is firmly attached.
